

# How Much is a Stamp?

## Send First Class Mail anywhere in the U.S. for under \$1.13

If you're mailing postcards, letters and larger envelopes, you're almost certainly sending them via First Class Mail. The USPS processes and delivers over 490 million mailpieces each day, and the bulk of those are First Class Mail letters. First Class Mail is low cost and includes speedy delivery with your mailpiece typically reaching its destination within two to four days anywhere in the U.S.

## What is the Cost of a First Class Mail Stamp?

Most First Class Mail letters include general correspondence such as billing invoices, credit card statements and birthday cards. These items typically weigh one ounce or less. The cost of a one-ounce First Class Mail stamp is \$0.55 at the Post Office, or \$0.47 if you buy and print stamps online using Stamps.com.

## Get Postage Stamp Discounts with Stamps.com

When you purchase postage stamps online using a PC Postage vendor such as Stamps.com, you are eligible to receive postage rate discounts. These discounts are provided since printing postage online benefits the USPS with reduced congestion at the Post Office and providing mailpieces that have addresses pre-cleansed and bar coded.
